

NOTE FROM THE DESK OF

Santa Claus

December 2022

Greetings from the North Pole!

The Elves and I are working very hard to get ready for the big day, but I wanted to take a moment to write to all the special girls and boys out there like you.

I have been making my list and checking it twice and I'm happy to see that you have made the Nice List again this year. You have done so many wonderful things throughout 2022 - Mrs. Claus & myself are very proud of you.

Here in the North Pole we are all staying healthy! Although Rudolph did pick up a horrible cold a couple weeks ago, I'm happy to report he is all better now and his nose is shining as bright as ever.

We are all extra busy making gifts for the special children, however we have experienced another year of some material shortages, meaning that some boys and girls may not get exactly what they asked for.

If this is you, please do not get upset, remember that it is the thought that counts, and you will still receive a very special gift from my workshop.

Keep up the good work!
