

NOTE FROM THE DESK OF

Santa Clans

December 2023

Ho, Ho, Ho!
Merry Christmas,

Well hasn't this year flown by, and another Christmas season is already upon us. Everyone here at the North Pole is working around the clock to be ready for the big day. The reindeer are especially excited for the trip this year and are counting down the days until December 24th.

The Elves in the workshop are busy putting the final touches on all the special presents. Please remember whatever gift you receive from me, whether it was what you asked for or not, it was made with lots of love and care.

I do have some extra exciting news for you... Yesterday I went over my list (checking it twice) and I'm happy to report you have been very good again this year and have made the NICE LIST for 2023. We are all very proud of you, keep up the good work!

Wishing you a wonderful holiday season, filled with lots of Christmas cheer.
