

IMPORTANT NOTE FROM THE DESK OF

Santa Claus

December 2021

Happy Holidays!

This year has flown by and Christmas Day is not too far away, which is why I thought I would take this opportunity to write a letter to all the special boys and girls out there like you.

I am so glad to see that you have been very good again this year and although 2021 has been filled with ups and downs you continued to be NICE!

Mrs. Claus and I are very proud of you - make sure to keep up the good work.

The elves tell me that lots of children are still worried that it might not be safe for me to travel around the world, but we are all staying healthy here in the North Pole and I am going to be extra careful when delivering all the presents this Christmas Eve.

However, I wanted to mention there is still a shortage of materials and we are running low on many supplies, we have all been working very hard to build lots of special toys but if you do not get exactly what you asked for this year, please do not get upset.

Carry on being good and stay safe.
